p.3 "In January of 1945, Baron PARRILLI communicated with the Lieutenant of the SS, Guido ZIMMER, head of the IV Office of the Reichssicherheits-hauptamt of Milan (CIC) that he had a means of contacting the Anglo-Americans through Switzerland..."

p.4 On his return from Switzerland, on the 1st of March, PARRILLI had a meeting with DOLLMAN in Milan in ZIMMER's apartment.

p.5 On the 3rd of March PARRILLI, DOLLMANN, and ZIMMER presented themselves at the Swiss border. PARRILLI crossed, giving the prearranged password, "Pierluigi". DOLLMANN and ZIMMER managed to enter Switzerland with the help of WAIBEL, who had given special instructions to the frontier guard...

p.16 When WOLFF, DOLLMANN, WENNER, ZIMMER and PARRILLI returned to Italy they realized that Berlin suspected the negotiations because KALTENBRUNNER, in the name of HIMMLER, had sent a telegram to WOLFF forbidding contact with the Allies and ordering the arrest of PARRILLI.

p.18 General VON VIETTINGHOF, who was his [WOLFF] friend, had been appointed as KESSELING's successor, and he hoped to readily associate him with the project. But the new Commander in Chief had not yet arrived in Italy and he had not been able to confer with him. He accepted, however, the 19th of March as the date of the next meeting in Switzerland, at which he appeared accompanied by WENNER and ZIMMER.

p.21 During the meeting, HUSMANN took WENNER into the garden to convince him since he had been pointed out by ZIMMER as being the most sceptical.

Having also learned from ZIMMER that WOLFF had brought important documents with him, HUSMANN begged WOLFF to turn these over to the allies

as a proof of his loyalty and good faith.

p.25

ZIMMER was sent to transmit VIETTINGHOF's request to HUSMANN. The 8th of April HUSMANN and ZIMMER were joined by PARRILLI, bearing a document in which the German proposals were specified. The document was given to the Americans in Bern..."
